Quarterly Newsletter

A Message from the CEO

We are happy to announce that successful numbers of enrollments are coming through to ACE this quarter. Our program with Skills Victoria (SVTS) for local students is an exciting new chapter in the life of ACE.

We encourage you to download our new brochures for both International and Domestic students from our website.

Why choose to do business with ACE?

ACE is committed to providing excellence in education to its international students and now to our new domestic student family. We have a team of dedicated professionals who take the time to get to know our students and provide support throughout their education journey. In our dealings with Agents, we pride ourselves on our simple and professional approach and we regularly encourage forums for feedback to continue to enhance the agent-provider experience.

ACE also prides itself in being one of the few RTOs who offer an Automotive qualification; and with a large automotive campus and facilities, why would you go anywhere else?

If you have any further queries or are interested in becoming an Agent of ACE, please contact Garry (Marketing Manager / CEO) via email at garry@ace.vic.edu.au or on +61 3 9380 1414.

Please keep in touch with us; we are always looking forward to hearing from you so we can support you.

Kind Regards,

Garry Ghattas
