

# Intervention Strategy & Agreement Form

Date:     /     /

Student ID: ACE                      Student Name:

Course Code:                      Course Name:

The abovementioned student has been assessed as being *at risk* of not satisfactorily meeting course progress requirements. After consultation with the student, I recommend the following intervention strategy be activated, includes:

- Extra tuition and support to be organised
- Personal strategies to improve the student's ability to complete the course requirements
- Review of assessment strategies
- Variation of enrolment load
- Extension in duration of course
- LLN Support needed - Attendance of LLN Seminar

(NAME AND DATE OF SESSION)

Input from Student Support Services Officer (if applicable):

Signed: .....

Additional Comments:

Date:     /     /

Student ID: ACE                      Student Name:

Course Code:                      Course Name:

I agree to the Intervention Strategy activated to assist me in meeting satisfactory course progress and will comply with all the recommendations above.

I understand that a copy of this agreement will be kept on my file and may be used to assist Australian Careers Education Pty Ltd (ACE) in any subsequent academic progress determinations.

Signed: .....

Student
